

REPURPOSE YOUR PUMPKIN

Give your pumpkin a second life by taking it to one of these local farms or compost sites.

You can take your pumpkin to one of these farms for FREE until December 15, 2025.

The collected pumpkins will be used to enrich farm soil for next year, be turned into compost, or feed farm animals.

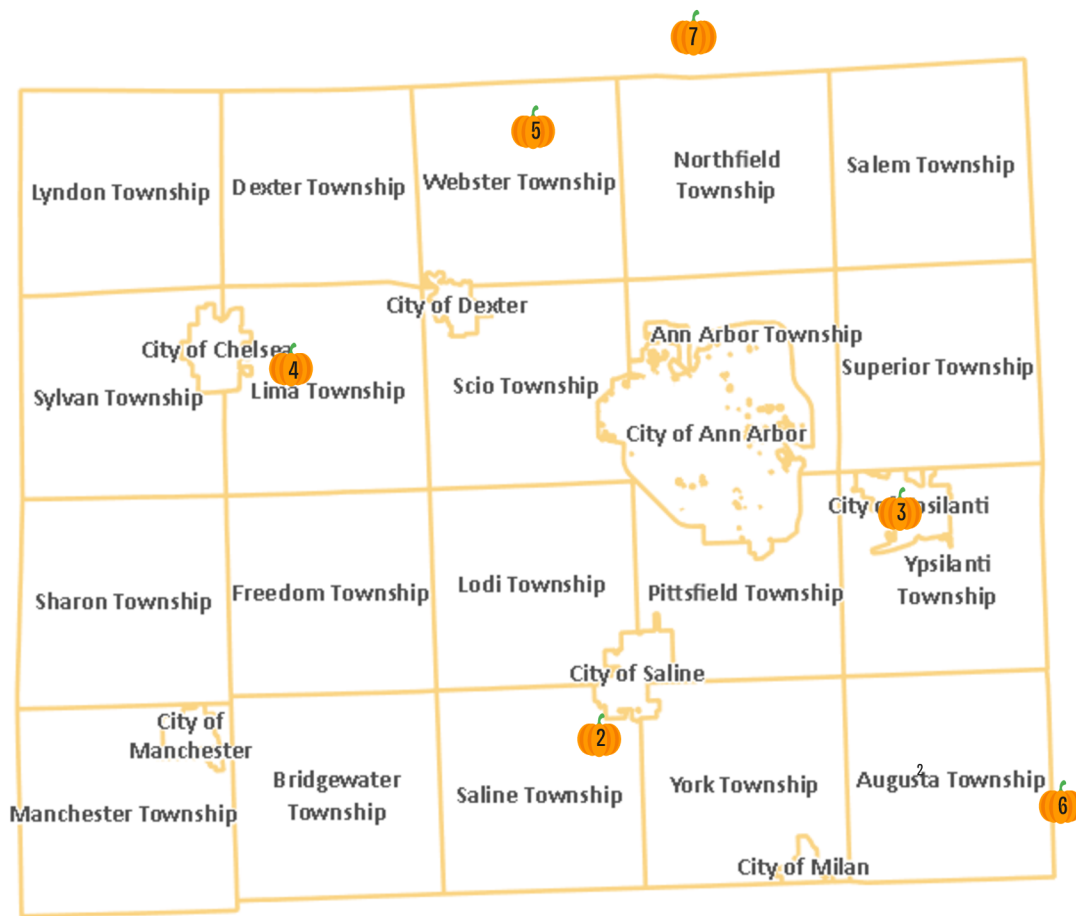

- ✗ **No paint or glitter**
- ✗ **No wire**
- ✗ **No candles**
- ✗ **No decorations**
- ✗ **No preservatives like bleach or petroleum jelly**
