Thank you for your interest in recycling with the WWRA. We work with businesses of all sizes to find alternative ways to handle waste and promote recycling.

The photos below are examples of the bins used by the WWRA. Bins may have different signage (such as cardboard only versus single stream), different colors, etc.

Please refer to our Business Recycling brochure for further pricing information and what will be included in your recycling plan. **All prices are for annual services and are billed in June of each year.**
